**AGREEMENT OF CONFIDENTIALITY**

I will respect the children’s and parents’ right to confidentiality and anonymity. (i.e. I will not mention the name of the family I serve to relatives, friends, and/or neighbors). I understand that violation of the right to confidentiality is cause for dismissal from the project. Such violation can jeopardize the program, result in loss of Foster Grandparent service to the children and their families, and deprive other Foster Grandparents of income, friendship, and love. Under Minnesota law, data on clients is private and may only be shared or disclosed as provided in the law. I will refer all inquiries and any questions I may have to the Site Supervisor and/or the FGP Area Supervisor.

Concerns and suggestions I have about the child(ren) or family may be discussed with the Foster Grandparent Program Director, Area Supervisor, site staff, or the family social worker. I understand that confidentiality is necessary for the success of the Central Minnesota Foster Grandparent Program and for future development in using Foster Grandparents with children who have special and exceptional needs.

I hereby acknowledge that I have read and understand the conditions stated above and will comply with these conditions.
